

**WIZARD OF OSCAR**  
**2020**

Truth has its face  
Buried inside mine

Truth has a fire  
I am doomed to live by

Life-words from his wand  
Gracefully poured im dankbarkeit

And, truth has my body  
As the hostage and the bride

She kills my pain  
If I dare to speak my heart

And, wisdom of life  
Is the same as Wizard of Oscar

Truth made it clear  
They all lie  
Why should I hide?
